

Save Time and Improve Efficiency with Electronic Signature Pads

Improve Your Office Efficiency

With support for Topaz Electronic Signature Pads, professional tax offices are able to improve efficiency and save time by meeting government disclosure requirements, minimizing errors, and moving towards a paperless office.

Save Time with Each Return

With Topaz Systems' robust software, the taxpayer's signature is securely bound to the document for which it was intended, reducing tax preparation time by up to eight minutes per return and allowing you to prepare more returns in less time.

The signature pads certified for use include:

- Topaz SigLite™ 1x5 T-S460
- Topaz SigLite™ 1x5 T-S461
- Topaz SigLite™ LCD 1x5 TL460

Topaz SigLite™ 1x5 T-S460

SigLite is Topaz's low-cost pressure-sensitive electronic signature pad. SigLite features high-quality biometric and forensic capture techniques with a low-cost touchpad and stylus in place of the active electromagnetic pen and sensor.

Topaz SigLite™ SL 1x5 T-S461

SigLite SL is Topaz's slim low-cost electronic signature pad. SigLite SL features all the high-quality biometric and forensic capture techniques of a SigLite tablet but with a thin 0.20" profile for extreme portability.

Topaz SigLite™ LCD 1x5 TL460

SigLite is Topaz's low-cost pressure-sensitive electronic signature pad. SigLite features high-quality biometric and forensic capture techniques with a low-cost touchpad and stylus in place of the active electromagnetic pen and sensor.
